

# STATE OF MICHIGAN

## SPECIAL TRIBUTE

### MERCY MED-FLIGHTS, INC.

LET IT BE KNOWN, That it is an honor and a distinct personal privilege to join with the members of Mercy Med-Flights, Inc., in commemorating its fifth anniversary. Known fondly as "angels of medicine," the pilots who magnanimously donate their time, energy, and skills to saving and enhancing the lives of others are worthy of the highest praise and recognition.

The pilots of Med-Flights, Inc., are truly a remarkable crew. Beginning in 1985 as the Troy Chapter of the American Medical Support Flight Team, the group changed its name to Mercy Med-Flights in 1989 to exemplify its commitment to serving areas throughout Michigan. Over the past five years, the Med-Flight pilots have flown on numerous missions for the Michigan Eye Bank, the Organ Procurement Agency of Michigan, the American Cancer Society, and CATCH (Caring Athletes Team up for Children and Henry Ford Hospital). Furthermore, they have transported individuals from throughout Michigan to destinations across the state and the nation, to receive medical treatment.

The 43 Mercy Med-Flight pilots should take great pride in the tremendous service they provide to the citizens of Michigan. The generous contributions of their time and energy have had a profound impact on many lives. As they celebrate their fifth year, may they know of the gratitude and admiration that are felt for them.

IN SPECIAL TRIBUTE, Therefore, This document is signed and dedicated to honor the crew of Mercy Med-Flight, Inc., upon the auspicious occasion of its fifth anniversary. We offer sincere best wishes for continued success.

  
James J. Blanchard, Governor  
State of Michigan

  
Gordon Sparks, State Representative  
The Sixty-third District

  
Doug Cruck, State Senator  
The Sixteenth District

The Eighty-fifth Legislature  
At Lansing - January 8, 1990
