

Scoring Sheet – to be used with HOST3 Hostage Scenario Target:

- Place this scoring sheet behind the HOST3 target
- Practice “rescuing” the hostage by neutralizing the perpetrator
- After firing is complete, remove this target and read number of hits and score accordingly
- Hits that touch the line between any two scoring areas will score the lower score
- Hits with more than 50% of the hole in the scoring area and less than 50% within the “hostage” (gray area) will be scored as a successful shot )although painful, the hostage WILL survive!
- Any hits with more than 50% of the hole within the gray “hostage” area result in total scoring disqualification
